 **Extensive Range of Professional Housekeeping,  
Kitchen Care & Laundry Chemical Products.**

Hygiene Era is the brand of Vindarvind Hygiene Products Pvt. Ltd., established in 1994. Vindarvind is a distinguished manufacturer of household cleaners, professional housekeeping products, car detailing products, professional laundry solutions, stone treatment, polishing products and other specialized cleaners. With two state-of-the-art manufacturing facilities in Chandigarh (U.T.) and Derrabassi, Punjab, covering over 22,000 sq. ft., Vindarvind ensures top-tier production quality. Pioneering the Indian market in the 1980s, Vindarvind introduced "Wonder Wash," the first washing powder suitable for both automatic and semiautomatic machines, earning the moniker "House of Wonder Wash." The company was founded by chemical engineer Mr. Arvind Malik and continues to thrive on continuous research and development, now driven by its second generation of leaders with the same academic expertise. Vindarvind is ISO 9001:2015 and GMP certified, underscoring its commitment to exceptional quality and industry standards.
